

**TEXOMA REGIONAL BLOOD CENTER  
HIGH SCHOOL SENIOR DONOR ADVOCACY SCHOLARSHIP PROGRAM  
2019-2020**

Texoma Regional Blood Center, announces the 2019-2020 *High School Senior Donor Advocacy Scholarship Program*. Under the Program, scholarship(s) will be awarded to seniors attending a high school located in the communities of Grayson, Fannin, and Cooke Counties that Texoma Regional Blood Center serves.

Program Guidelines & Priorities:

Seeking graduating High School Seniors attending schools located in the communities served by Texoma Regional Blood Center.

- Applicants must be a graduating High School Senior during the 2019-2020 school years.
- Scholarship funds for selected recipients will be payable **the first semester of the student's first year directly to the college** and not to the student. It will be the student's responsibility to submit invoices for first-semester tuition and fees to Texoma Regional Blood Center at that time, student ID number and college information must be included on the invoice.
- Applicants must have the endorsement of their High School Blood Drive Coordinator or Guidance Counselor on their application attesting they are a graduating senior for the 2019-2020 school years. **Texoma Regional Blood Center strongly suggests that each high school should present this opportunity to all students that meet this program's guidelines.**
- The recipient selection will be based on completion of this application, a written essay, and the number of advocated donors that donate successfully on your behalf throughout the school year. (More donations in your name increase the likelihood of being selected). Donations will be tracked on the Red Cord Community Service business cards, supplied by your High School Blood Drive Coordinator or Guidance Counselor.

Please Note: If your school does not participate in the Red Cord Community Service Program you will still be eligible to participate in the Scholarship Program. Red Cord Community Service business cards will be used to track advocated donations.

**The application deadline is by 5:00 pm April 20, 2020; late applications will not be accepted. (This includes application with signoff by High School Blood Drive Coordinator or Guidance Counselor and Essay)**

Mail to:
